

Robust back gauge

Foot Pedal

User Friendly
Touch Screen

Description:

The e-cut electromechanical guillotine family is the most effective choice for small and medium size print shops. Providing the astonishing cutting experience we have reached a speed like no one else. During the designing process our aim was to produce a compact size machine with all the essential feature, which you have ever dreamed of. The dual axis back gauge driving provides long lasting and stable preciosity of paper positioning even foot pedal supports you for easiness. High level light guards are a must, however unique safety features has been developed for maximum safety experience as the side LED lights warn surrounded people for caution. Adjustable pressing force and easily programmable versatile software helps every operator to get the most out of the machine via the color touch screen.

SPECIFICATIONS

Type of the machine	e-cut 480	e-cut 520	e-cut 550
Maximum cutting length (mm)	480	520	550
Maximum cutting depth (mm)	480	520	550
Minimum cutting depth (mm)	25	25	25
Maximum cutting height (mm)	70	80	80
Mono phase power supply	230 V-50 Hz, 208 V-60 Hz	230 V-50 Hz, 208 V-60 Hz	230 V-50 Hz, 208 V-60 Hz
Nominal current (A)	10	10	10
Capacity (kW)	2,4	2,4	2,4
Cutting blade	Long-life HSS blade	Long-life HSS blade	Long-life HSS blade
Clamp	Adjustable pressure & Foot pedal	Adjustable pressure & Foot pedal	Adjustable pressure & Foot pedal
Optical cutting line display	YES	YES	YES
Safeguards: Optical light curtain, two-hand operation	YES	YES	YES
User interface	Touch screen & Job memory	Touch screen & Job memory	Touch screen & Job memory
Software	RIGO	RIGO	RIGO
Air table	Not available	Not available	Option
Dimensions of the machines (l x w x h mm)	1200x790x1450	1200x840x1450	1200x870x1450
Dimensions of the packaging (l x w x h mm)	1300x890x1550	1300x940x1550	1300x970x1550
Dimensions of the machines with side shelf (l x w x h mm)	1200x1390x1450	1200x1440x1450	1200x1470x1450
Dimensions of the packaging with side shelf (l x w x h mm)	1300x1490x1550	1300x1540x1550	1300x1570x1550
Net weight (kg)	350	380	410
Gross weight (kg)	400	430	460
Net weight with side shelf (kg)	400	430	460
Gross weight with side shelf (kg)	450	480	510
